7. **Jung, Inseong**. (2023, Aug.) “Accident or State Violence? Social Disaster Discourse Analysis on the Sewol Ferry Disaster and the Itaewon Tragedy.” PNC 2024 Annual Conference and Joint Meetings. Seoul, South Korea.

WORKS IN PROGRESS

1. **Jung, Inseong** and Eun Kyong Shin. “The Changing Predictability of American Partisanship, 1988–2024.” *Draft available*.

RESEARCH EXPERIENCES

Research Assistant, Lab Sociomarkers, Korea University

2026 – Present

· Principal Investigator: Prof. Eun Kyong Shin

Student Researcher , Korea University Alumni Association	2024 – 2025
· Project: Korea University 120th Anniversary Alumni Engagement Survey · Online survey design, data collection and analysis	
Research Assistant , Korea Information Society Development Institute	2024
· Project: Governance for Responding to a Post-Truth Society · Data research and organization	

GRANTS & SCHOLARSHIPS

Student Researcher Project Grant , Rohmuhyun Foundation	2025
· Project: Cultural Infrastructure Disparity and Quality of Life · KRW 3,000,000 (approx. USD 2,200)	
AI/SW Graduate Student Scholarship	2026
Humanities and Social Sciences Program, Korea University	
· KRW 12,000,000 (approx. USD 8,800)	
Brain Korea 21 Graduate Scholarship , National Research Foundation	2026
· Recognition and support for excellent graduate students · KRW 6,000,000 (approx. USD 4,400)	
BA-MA Acceleration Program Scholarship , Korea University	2025 – 2026
· KRW 8,998,000 (approx. USD 6,600)	
Humanities 100-Year Scholarship , Korea Scholarship Foundation	2024
· National scholarship to support excellent undergraduates in humanities and social sciences · KRW 3,560,000 (approx. USD 2,600)	

HONORS & AWARDS

Graduation with Great Honor , College of Liberal Arts, Korea University	2024
Dean's List , College of Liberal Arts, Korea University	2020, 2023
Semester High Honors , College of Liberal Arts, Korea University	2020 – 2025

OTHER EXPERIENCES

Organizer , Peer-Led Statistics Workshop for Graduate Students	2026
· Organized and led sessions on descriptive statistics, linear regression, and logistic regression · Prepared session notes and Python exercises for fellow graduate students · <u>Workshop materials (in Korean)</u>	
Intensive AI & Deep Learning Bootcamp	2025
Humanities and Social Science Program, Korea University	
· Mathematical foundations of AI (Linear Algebra, Calculus, Optimization) · Coding Session for deep learning (PyTorch, Neural Networks) · Using Large Language Models for research	
Sergeant , Korean Augmentation to the United States Army, ROK Army	2021 – 2023
· RADAR Platoon, 2nd Battalion, 3rd FA Regiment, 1st ABCT, 1st Division, US Army · Mandatory military service · Cultural support and translation for the US armed forces in South Korea
